# THE FEST

## »»» EVERYTHING

The FEST is not just a one day event. It is an opportunity to inspire and energize teens, young adults and families in our region – for the entire year.

[WWW.THEFEST.US](http://WWW.THEFEST.US)

**INSIDE:** EVERYTHING you need to know about FEST 2016 and why we come together for this incredible day!

# WELCOME TO THE FEST 2016

**EVERYTHING** you need for a perfect family day.  
**Faith, family and fun!**

For sixteen years, The FEST has brought together thousands from across our region for great music, amazing people, lots of activities and displays, and uplifting and inspiring prayer. For so many, **The FEST is like an annual day of retreat – a time to focus, reflect and prayerfully consider the path forward.**

The FEST team has worked hard to bring together EVERYTHING you need for a great day. **More importantly, our theme for FEST 2016 is EVERYTHING because we know and believe in the promise of the Lord.** For those who trust and walk the path, Jesus Christ is EVERYTHING for us. He is our hope, our strength, our path to peace, our wise and faithful companion and our guide. Hopefully, you will see and hear this message throughout the entire day and in all the music and activities.

Thank you for joining us. Please let us know if you have any questions or needs throughout the day (you can stop at the entry gates, Information Booths, or First Aid Station for help and directions.)

Have a great day of faith, family and fun at The FEST.

Father Bob Stec

THE FEST 2016

## ALPHA VILLAGE

At last year's FEST we had hundreds of people sign up for Alpha Village. Alpha Village is The FEST's way of giving back to our community. The goal of Alpha Village is to provide a lift to an entire neighborhood all at one time. This past year, we focused on the Ohio City area in Cleveland.

We had our first work day on a snowy day in October and were blessed with over 100 volunteers and worked on 13 houses and 3 community gardens. We visited the same neighborhood at Christmas and Easter, going door-to-door delivering hams and offering kind words and prayers. We returned again to this same neighborhood in April and were blessed with over 200 volunteers who worked on 35 homes, 2 community gardens and filled 2 dumpsters with trash and debris from the area. Residents were outside talking with and working alongside volunteers and were extremely grateful for all the outreach. One member from the community said 'I didn't know the church did this.' We reminded them: this is exactly what the church does!

We are looking forward to continuing our work in the fall, but need your help and additional resources! If you are interested, please visit our website: [www.AlphaVillage.us](http://www.AlphaVillage.us) or email Jake Bihari at [Jake@TheFEST.us](mailto:Jake@TheFEST.us). It's not a huge time commitment, but with everyone working together, we will have EVERYTHING we need to make our city and our brothers and sisters in Christ better.

## EDUCATION VILLAGE

**Education Village is a reflection of The FEST'S strong belief in the importance of Catholic education for all learners from pre- Kindergarten all the way through adulthood.**

Located on the baseball diamond, it lies in the heart of The FEST grounds, giving Catholic schools the opportunity to engage in conversation with all FEST attendees. In most recent years, it has consisted not only of local elementary and high schools, but also Catholic universities and colleges from all over the United States. Stop by Education Village and check out this year's leading schools in education! **Education Village is sponsored by CPO-Central Purchasing Organization.** CPO works hard throughout the year to provide supplies and resources to our schools and parishes.

**Education Village provides young adults and students with EVERYTHING they need to explore Catholic schools and universities throughout the country.**

## TOGETHER IN PRAYER

**All of us have special needs and concerns. All of us need a prayer or two.**

Take a few minutes today at The FEST to stop by the beautiful Prayer Garden. It's a special place located in the Quad (by the Mom's Relaxation Station) for you to bring your prayer intentions and needs to the Lord. While there, you can also remember the names of loved ones who have gone home to the Lord.

**Inscribe their names in the Book of Remembrance that will be presented during the Offertory at The FEST Mass.** It's a special way that we can stand together in communion with the Lord and all of our faithful departed.
