The FEST is not just a one day event. It is an opportunity to inspire and energize teens, young adults and families in our region – for the entire year.

INSIDE: All you need to know about FEST 2017, why we come together for this incredible day, and how you can have a FULL experience!

WELCOME TO THE FEST 2017

A FULL LIFE! The FEST promises to be a full and inspiring day of faith, family and fun. We have a fresh line up of music on the main stage, along with great activities for kids, adventure activities for teens, informative and engaging displays for adults and children of every age. Literally...something for everyone!

The FEST is a full day of great music, inspiration and activities with one key message. In truth, it's more than a message... it's the promise of Christ. Every day Jesus is calling you (and each of us) to *A Full Life* – **"I have come so that you may have life and have it to the fullest."** (John 10:10).

Our prayer is that, in every way, this day will help you understand the call and promise of Christ so that you and your family may find a deeper joy, a greater love, and a stronger truth in Jesus Christ.

Please join me in thanking all the volunteers and wonderful sponsors who are working so hard and have given so much to make sure The FEST is a great day for you – faith, family and fun – all for FREE.

Enjoy your day. May it help you discover *A Full Life* in Jesus Christ. God bless you!

and The FEST Team

ALL OF US!

It's going to take all of us – working together – to address a crisis that is gripping our region. Last year, The FEST introduced a most important effort called "Understanding is Greater than Heroin". Since that time, we have stirred up many regional conversations to help offer support and create awareness and resources for all of us to understand this crisis that is impacting every corner and neighborhood in our region.

While our efforts have made a real impact, it's not nearly enough. This year, it is projected that 4,000 people will die of a heroin related overdose in the state of Ohio. This doesn't even begin to count those who are being revived by our first responders.

This crisis will require all of us to understand and become involved. Take some time to go to www.GreaterThanHeroin.com to learn more about the problem, the crisis, the help available, and how you can get involved.

It's going to take all of us to stop this crisis. It's going to take all of us to make sure each sister and brother has the help they need. There are many reasons 'why' this is going on. And it will take all of us to bring this epidemic to an end. **UNDERSTANDING IS GREATER THAN HEROIN.**

We all know someone impacted by heroin. Find information and resources on how you can help, get help or learn more.

*Understanding.
Collaboration.
Awareness.*

MAKE A DIFFERENCE

The FEST supports two outreach ministries that make a real difference in the lives of others.

ALPHA Village takes place in the City of Cleveland. We have been working in the neighborhoods that make up the International Village on the west side. The FEST has led many community clean up days, as well as food distribution and coats for kids. **Learn more by going to: www.ALPHAVillage.us**

For the past ten years, Mission Possible has been working with some of the poorest of the poor of the world in the Dominican Republic. We have been building homes, bringing medical care, and offering hope to our sisters and brother in need. It's amazing work. We have done much - with so much more to do. We need you. **You can make the mission possible by learning more and joining an upcoming mission trip. Go to: www.MissionPossible.us**

WALKING PRAYER LABYRINTH

Take a few minutes today at The FEST to stop by our labyrinth.

It's a special place located in the Quad (by the Moms' Relaxation Station) for you to bring your prayer intentions and needs to the Lord. Walk through the labyrinth and enter into peaceful quiet. **A labyrinth is not a maze. The labyrinth has a clear path in and out.**

It is made to aid FEST-goers in prayer by taking away the need to focus on where they are walking and instead focus on their conversation with the LORD. Take a walk through to reflect on everything the LORD calls you to say 'yes' to, giving you *A Full Life*.
